This is a game developed by Your Daily Fill publisher, Android. It's an attractive, free and entertaining game, and you only have Android 4.1 and more. How to play Like in previous versions, Epic Skater 2 is a 2D skateboarding game, where the player is required to skateboard in a variety of terrains in a spectacularly shaped city combined with skills to skate and jump on the air. The game will provide you with over 20 skills available, allowing you to make beautiful dance moves with a variety of gestures with different screen gestures. For example, you want to make a simple 'ollie', just press and hold your screen for a few seconds and then loosen, the ollie will be performed immediately, or a 'kickflip' then you have to swipe the screen then swipe backwards. With each Epic Skater 2 gameplay, you'll need to try out as many air phases as you need, and you'll be able to get maximum points. And in the process of performing the skill, try to collect all the money and items along the way as you. Use the money you earn to upgrade your skateboard and character. And in the store, there are many other support items that you need to have money to own them. The game also offers online rankings, where players will record the achievements of the best players, try and name them for honor, and be proud of your friends. About graphics Epic Skater 2 is more prominent because of the visuals and landscapes around it that are designed with striking colors and more unique, giving the feeling of fun for the players. More players will pay more attention, they will feel that the graphics in the game is quite similar to one of the most popular games today is Subway Surfers, from graphics to the way the game and design also have certain similarities. However, these two games also have different characteristics that are typical of the game context. Subway Surfers are set in the back of a young boy on the track, train tunnels, the subway looks complicated and narrow. Epic Skater 2 is set in the streets of Los Angeles, where many street sports are held, and there is an open and much larger corner. Conclusion Epic Skater 2 MOD is a fun surfing game with very vivid 2D graphics. The gameplay is simple and fun, suitable for many children from 3 years of age also fit perfectly. The game promises to give you useful moments and hours of fun. Same installation now You are now ready to download Epic Skater 2 for free. Download. are some comments: Check out our installation guide. Use the CPU-Z app to check The Android device's CPU and GPU
